

OFF SEASON TENNIS PROGRAM RULES

Non-members may play tennis in the off season (October 1 through March 31) in a Board approved program.

A \$50 fee per program is required to participate. The fee is required regardless of the number of times the nonmember plays during the off season.

Non-members may not use the grounds for any other reason unless they pay a \$5 guest fee per visit.

The sponsoring member is responsible for providing a list of players to the tennis coordinator and for the collection of funds.

Priority:

First priority - Members

Second priority - Participants who have never been members

Last priority - Past members
